Prof. Benny Applebaum

- Main interest: Cryptography and Security
  - Design and analysis of cryptographic tools and protocols
  - Secure Multiparty Computation
  - Information-Theoretic Cryptography

- Also interested in Computational Complexity, Algorithms, and Coding Theory

- Contact Details: bennyap@post.tau.ac.il
- Website: http://www.eng.tau.ac.il/~bennyap/
- Office: Computer Engineering Building, room 203
